

Set in beautiful Hampshire countryside — just two miles from Alton and easily reached from across Hampshire and Surrey — Beech Village Hall is a large, modern and flexible space ideal for a children's birthday party venue.

We love hosting children's parties, and everything here is designed to make your day special, easy and stress-free.

"The lounge separation was excellent — the children did laser tag in the hall while the parents sat in the lounge with a cup of tea. I particularly loved the decorations and fairy lights hanging from the beams."

— Party organiser at BVH

"Fantastic space, excellent facilities. My son had a wonderful birthday party — parents commented on how lovely the space was. Amazing value for money. I would book again without hesitation."

— Becky, children's party organiser

Why families love Beech Village Hall:

Private car park right at the door

Your guests park safely, steps from the entrance — no worries about children near traffic.

Village green and children's play area

A space for everyone — the Hall AND the Lounge

Children dance and play in the Main Hall; parents relax in the Lounge with a cup of tea. Both spaces are yours.

Fairy lights on the beams + laser light party pack

Atmospheric fairy lights hang from the original beams, and our children's party lighting pack adds spectacular coloured, moving laser lights.
